WHEREAS at the Committee of the Whole Meeting on September 26, 2022, Council considered a memo from the Grant and Policy Writer, regarding the Town of Cobourg Flag Raising and Proclamation Policy;

NOW THEREFORE BE IT RESOLVED THAT Council approve the Town of Cobourg Flag Raising and Proclamation Policy to implement standard procedures for flag raisings, half-staffings, and proclamations in the Town of Cobourg.

Division: Corporate Services

Effective Date: October 3, 2022

Department: Legislative Services

Approval Level: Council

Policy Title: Flag Raising & Proclamation Policy

Section # 3-1
Policy # LEG-ADM21

Purpose

The Flag Raising and Proclamation Policy establishes a framework to govern requests for flag raisings and proclamations received from the community, and to establish a consistent protocol for the flying of flags at all municipal buildings, properties, and facilities.

This policy also provides for a standard to govern requests for proclamations issued by the Town of Cobourg in recognition of individuals, events, organizations, or community groups of significance in the Town.

Policy

1. General Principles of the Policy

The following general principles will apply in respect to all aspects of this policy, and be used when interpreting the policy:

- The municipality will use flags and make proclamations to celebrate Cobourg's diversity, and honour those who have contributed to the life of the Town.
- Flags and proclamations will not be contrary to the principles of any other Town policy.
- The Town will only fly flags that are approved and recognized by federal, provincial, or municipal governments of Canada.

The Town issues flag raisings and proclamations to recognize individuals, events, organizations, and community groups of significance to the Town. A flag raising or proclamation will recognize a particular day, week, or month.

The flag raising or proclamation itself is issued to acknowledge the effort and commitment of an individual, organization, or community group and should not be interpreted as an endorsement by the Town.

Town council has authority to approve or deny requests for flag raisings or proclamations. The Clerk has been delegated the authority to approve or deny requests for flag raisings or proclamations, where required. The decision of council or the Clerk, where applicable, is final. If an application is accepted, the organization submitting the request does not have exclusive rights to the day, week, or month being proclaimed.

2. Criteria for Flag Raisings and Proclamations

The criteria for approving or denying a request for a flag raising or proclamation will be:

Flags will be flown at half-staff for the duration established by the appropriate federal or provincial protocol offices for the passing of national or provincial official. Typically, for any other persons, flags will be flown at half-staff from the date the notice of death is received until sunset on the date of the funeral or memorial service for that individual. If the funeral or memorial service is to be held later than 2 weeks after the notification, the flags will be lowered to half-staff for a period of 72 hours and lowered again on the date of the service.

Where one flag is required to be flown at half-staff, all flags flown together will also be flown at half-staff. Only flagpoles fitted with halyards and pulleys will be flown at half-staff.

Some buildings such as Victoria Hall fly flags from horizontal or angled poles without halyards. These flags will not be half-staff.

When an event triggers a period of mourning, the Chief Administrative Officer, or designate, will send notice to all relevant departments instructing them to half-staff their municipal flag(s). The notice will stipulate the reason for, and duration of the half-staffing. This information will be communicated to the Mayor’s Office and the Clerk to respond to public inquiries.
