WHEREAS at the Regular Council meeting on February 27, 2023, Council considered a correspondence from Lakefront Utilities Incorporated regarding the CCC becoming a “Primary Emergency Response Centre”; and

WHEREAS Council has passed a resolution in 2019 to declare a climate emergency, and

WHEREAS the global climate crisis is influencing extreme weather events that affect our local communities, and

WHEREAS the changing global climate is causing extreme weather in all seasons,

NOW THEREFORE BE IT RESOLVED THAT staff be directed to update town facility emergency plans to consider these new extreme conditions, verify the service levels that Town facilities can support in an emergency, and that staff report back with updated plans and recommendations by November of 2023.
